JOHN LAWRENCE ATKINS

"CUPID" OR "CHERUB"
"Aw—Now"

Latin Club '26; Dramatic Club '27; Mathematics Club '27; La Societe Francaise '28; "Bab" '27; "Come Out of the Kitchen" '28; Hilltop Reporter '26.

This jolly, good-natured, and cheerful young man commonly known as "Cupid", is one of the "babies" of the class. Although young in age, John is a brilliant student. He also has shown a great deal of talent in the Junior and Senior plays. Besides being an actor, John can play the piano with great speed. Ever since John has entered High School, he has had the reputation of coming to school about nine o'clock, and taking his good old time in examinations. John believes in taking life easy, and even semester examinations fail to excite his calm heart.

"Better late than never"

VIOLA MAY BARNHART

"BARNEY" "YVONNE"
"Awk! Gwan!!"

Glee Club '26-'27-'28; "Yanki San" '27; Hiking Club '27; La Societe Francaise '28.

Up from Yoe came a tall dark haired lassie who entered the Junior class in Red Lion High. Viola found many things to interest her in Red Lion High besides her studies which she liked very well. She has found many friends, for she has a keen sense of humor and a hearty laugh. Although Viola plays a violin, she has never joined the orchestra. We suppose she will show her musical ability at some institution of learning. In the operetta "Yanki San" given by the Glee Club in 1927, Viola showed splendid dramatic ability.

*"For there be women, fair as she,
Whose verbs and nouns do more agree."*

JOHN PALMER BURG

"JOHN"
"Heaven's Gosh"

Vice-president of Athletic Association '28; Baseball '26-'27; Senior Class Basketball Team '28; Assistant Advertising Manager Hilltop '28; Class Reporter '25; Sophomore Basketball Team; Track '27; Latin Club '26; Mathematics Club '26; Senior Play '28.

Palmer, informally known as John, is a jolly good friend of everyone. Although he is very quiet and attentive in classes that reputation is not retained when released from school duties. He is very entertaining when out of school and especially enjoys demonstrating his vocal abilities through the latest jazz compositions. Palmer is an accomplished musician; he surely can play the piano, and is always ready to appreciate music, especially at a party. Palmer is planning to become a dentist and the class wishes him the greatest success.

Next comes "Liz", our great athlete who distinguished herself by being one of the best basketball players that ever entered Red Lion High School. "Liz" is also one of the famous members of "Our Gang." You can readily see that "Liz" was a faithful as well as a very popular girl among her classmates when you look at her list of honors.

"Liz's" chief ambition is to take up Physical Education. Any girl who possess the ability this girl possesses will surely make a success of her life's work.

Orchestra '25-'26-'27-'28; Class President in Junior Year; Mathematics Club '26; La Societe Francaise '28.

I take great pleasure in introducing to you the boy with many wild ideas. For instance, making a high powered motor out of nothing—(A Ford).

If you see in the distance an old rusty Ford which resembles a tin can you can be sure it is Tom on one of his wild ideas.

*"This boy with a mechanical look,
Makes believe that he has written a wonderful book;
And the Physic's classes all believe it is true,
Because M. B. gives into him too."*

WILSON KENNETH GLADFELTER

"SHORTY" OR "LEFTY"

Business Manager of "Bab" '27; Business Manager of "Come Out of the Kitchen" '28; La Societe Francaise '28; Circulation Manager of "Cub" '28; Baseball '27-'28; Class Basketball '27-'28.

Here he is! That tall boy from Yoe, whom the teachers and even the Professors have "to look up to." Wilson is a firm believer in originality and therefore is more interested in his own views than those of the authors in his textbooks. All his fellow students realize that he is to some degree a writer of note and that his main genius lies along literary lines.

Since his greatest desire lies in this important field we wish him every success and hope that some day his dreams may come true.

GRACE ESTHER GREIMAN

"DIZ"

"Oh, My Goodness!"

Glee Club '25-'26-'27-'28; "Yanki San" '27; La Societe Francaise '28.

Now we come to Grace who hails from that distant city of Arbor! Nevertheless she deserves much credit for her "stick-to-it-iveness" through these four short years. No matter what the weather would be Grace is always to be found at her post regardless of the three miles she had to walk beforehand. When there are tickets to be sold for any entertainment Grace is sure to do her part. She not only brings her own family but all her friends, which are many.

*Came Grace that clear September Morn."

CHARLES EDWARD GRIMM

"BOZO"

"My Golly, You're Dumb"

High School Orchestra '25-'26-'27-'28; Mathematics Club '27; La Societe Francaise '28.

Our automobile mechanic and physics expert is noted for his skill and ability to start arguments in physics class. Although we seldom know of what he is speaking we do know that he is sure to be wrong. He seems however to agree with Francis Bacon that, "Books must follow sciences, and not sciences books."

He also has another claim to honor—his musical ability. He can sit comfortably pulling the horse's tail across the catgut while others are stumbling over six or seven flats.

However, we all wish him great success in all his future scientific encounters.

*"A man convinced against his will
Is of the same opinion still."*

KENNETH ELWOOD GROVE

"KEN"

"Oh! I don't know"

Hilltop typist '28; Ormar-Blite Komercial Klub '28.

Kenneth, more commonly "Ken" is a quiet, studious lad who hails from the town of Felton.

Kenneth is a commercial student and his ability on the typewriter cannot be compared. His quiet ways and modest smile have won him many friends in Red Lion High. Because he is a non-resident student, Kenneth has not taken a big part in outside activities, but when called upon, he could always be counted on to do the right thing.

"NACE"

"Don't Touch Me!"

Basketball Varsity '27-'28; Hiking Club '28; Ormar Blite Komercial Klub '28; Hilltop Typist '28; Treasurer Athletic Association '28.

You need no introduction to this charming lass of the Senior Class. Her brown hair and gray mischievous eyes are quite an attraction. Her ready laugh is very contagious and has made her many friends during her high school career.

We also admire "Nace" for her athletic ability. She is Captain and center of the Varsity Basketball team and you should see her get that "tip off."

Eleanor wishes to take an art course and by the appearance of her tablets and textbooks we believe she will be successful.

"A true friend is forever a friend."

JOHN ROY HAUBERT

"MONK"

"Oh Garsh!"

Dramatic Club '26-'27; Assistant Manager Boys' Basketball '26-'27; Pen and Ink Club '26-'27; Orchestra '27-'28; Ormar Blite Komercial Klub '28; Senior Class Basketball '27-'28.

John, our little boy, but mighty in his own opinion, is one of the high lights of the Senior class. John has a winning way with the girls and is a genial, all-round, good sport. He has been an active member in all class activities and has proved himself a reliable person.

"Monk's" favorite topic is the Indiana State Normal School. His chief ambition is to be a commercial teacher. We know that with his confidence, good spirits, and winning personality, he is bound to be a great success.

"A close mouth catches no flies."

GEORGE WILLIAM HEFFNER

"BILL"

"And How"

Business Manager of Hilltop '28; Ormar-Blite Komercial Klub '28.

Here we have one of the most popular and happy boys in the class. "Bill" is always full of smiles and whenever he is around, no matter how deep your sorrows may be he will throw a light upon them. He has an interesting personality, and when in the presence of girls he certainly makes a hit.

He has one great ambition and that is to become a commercial teacher and we wish him success along this line of work, and hope he will never forget the class of '28.

*"He loves to chat with the girls I know,
'Tis the way with boys—they're always so."*

Junior Play '26-'27; Library Play '27-'28; Editor-
in-Chief Hilltop '28; Assistant Editor of Hilltop
'26-'27; "Yanki San" '27; Minstrel Show '28.

Behold our Editor-in-Chief, known by her classmates as "Cutie." Cutie has for four years been stricken with "talkitis" and the teachers have come to the conclusion that it is incurable. During her high school days she has taken active parts in plays, in selling tickets, and in literary programs. Her ambition is to travel and teach—then possibly settle down in—Here's success to you "Cutie."

*"She is pretty to walk with,

And pleasant too, to think on."*

"DUCK"

"Here comes the Lost Battalion."

Assistant Advertising Manager Hilltop '27; Orchestra '25-'26-'27-'28; La Societe Francaise '28;
Advertising Manager of Senior Play; Vice-president of Class '26.

Let me introduce "Duck"—one of the studious boys of our class. Whenever our class has anything to be done, we can always depend on Lloyd to help us. Lloyd has a very good sense of humor and always enjoys a joke. In French class Lloyd is one of the main "lights."

"To the Victors belong the spoils."

D. FRANK OLEWILER KALTREIDER

"D"

"What Causes That?"

Hilltop reporter '25; Class President first semester '26; President of Mathematics Club '27; President of Latin Club '27; Vice-president of Dramatic Club '27; Assistant Advertising Manager Hilltop '27; Vice-president of High School Association '27; Journalistic Club '27; "Seventeen" '27; "Bab" '27; "Bird's Christmas Carol" '28; "Come Out of the Kitchen" '28; Cheer Leader '25-'28; Orchestra '25-'28; Circulation Manager of Hilltop '28; Business Manager Annual '28; President Athletic Association '28.

Here is a boy whom everybody knows because of his ability to cheer the teams to victory and of making everybody's yell at pep meetings. Apparently "D" never studies, yet when it is a question of grades, he walks away from the rest of the class.

The wind he saves from cheer leading he uses for his big bass saxophone which helps to bring the orchestra to the place of honor which it now holds.

"Criminetti"

Hiking Club; Mathematics Club '25-'27; Track Team '25-'28; Tennis Club '26-'27; Basketball scorekeeper '26-'27; Cheer leader '27-'28; Tennis champion '27.

Erma better known as "Shrimp" or "Shorty" is a very distinguished member of our class. Her boyish bob and her smile make us all jealous especially on those hot days. She always looks so cool while the rest of us are suffering from the heat. "Shorty" is Red Lion High's tennis champion of '27. She is always ready to take an active part when asked to do something.

*"Shorty" with her boyish bob,
"Shorty" with her smile,
Makes you think living
After all, worth while.*

HELEN IRENE KELLY

"PEACH"

"Confound It"

Latin Club '26; Mathematics Club '27; Dramatic Club '27; "Bab" '27; Journalistic Club '27; Exchange Editor of Hilltop '27-'28.

"Peach" is the quiet girl, but "boy" how she pulls down those marks. She "knows her onions" in any book she studies. She is serene for she never gets excited, but she is quite jolly and when the crowd seems downhearted, she surely can brighten it up. Helen is undecided as to where she shall go or what her vocation shall be, but whatever she attempts we are sure she shall be successful.

"Silence is more musical than any song."

AMOS HYSON KNISELY

"JONNIE"

"Now, What Causes That?"

Vice-president Class '25; Stage Manager Senior Play '28.

Next in line comes "Jonnie", one of the smallest and also one of the noisest boys in our class. You can always see him talking to some girl, especially one in the class of '28 with long curls and blue eyes. His chief "hobby" seems to be, making dates, and never keeping them.

*"Amos is witty, Amos is wise,
Around the girls, he likes to take the prize."*

RALPH EDWIN KOONS

"FATS"—"KOONS"

"I'm from Springdale"

"What the hon!"

Baseball '28; La Societe Francaise '28; Stage
Manager Senior Class play '28.

Ladies and Gentlemen, allow me to present Ralph Koons, the "big boy" of our class. Did you ever see "Fats" without a smile or not tormenting someone? He always has plenty to say especially in English class. He seems to have all attraction for some dark haired girl in the Senior class. Ralph feels rather important when he is driving his Buick. Lately "Koons" became interested in baseball.

*"Here's to the curly boy,
Somebody's pride and joy."*

CARRIE ESTELLA MILLER

"EPS"

"For Heaven's Sake"

Secretary of Class '26; Secretary-Treasurer of
Athletic Association '27; La Societe Francaise '28;
Hiking Club '28; Basketball '27-'28.

"Eps" is one of the quiet girls of our class, being one of the few that is usually seen and not heard.

"Eps" was a member of the Basketball Varsity and could play in any position of the team and always did her best. She is also a member of "Our Gang."

"Silence is Golden"

DELMAR STEWART MURPHY

"MURFI"

"Watch That"

Track Team '28; Hilltop Typist '28; Class Basket-
ball Team '28; Ormar-Blite Komercial Klub '28.

Whom do we have here? One of those boys who hails from the outskirts of Red Lion, but claims he does not come from a town known to us as "P—G—."

Even though "Murfi" never took a very active part in the school activities, he is not to be misjudged as a student. His typewriting ability is one that few in the class can equal, and when it comes to speed he surely can tickle the keys.

"All Things he doth to Perfection."

MARGARET ELIZABETH NEFF

"PEGGY"

"For Heaven's Sake"

Glee Club '25-'26-'27-'28; Minstrel Show '25-'28;
Secretary of Glee Club '28; La Societe
Francaise '28; "Yanki San" '27.

"Peggy" is another one of the popular girls of our class. She's much more quiet than some of the others, but she is very well liked by all her classmates. She takes a leading part in all musical activities because singing is her hobby and she expects to go to college to further her knowledge along this line. Also she usually has her lessons well prepared and upon becoming a Senior she set a new record for herself by not being late all year.

Well, we're expecting great things from you, Peggy, and we wish you the best luck possible.

"Youth is the time when the seeds of character are sown."

BERNICE EULALIA POET

"FARINA" OR "POETY"

"My Cow" "Gee" "Oh Sugar"

Class Basketball Team '28; Hiking Club '28; Mathematics Club '27; La Societe Francaise '28.

Bernice, the smallest member of the class of '28, represents a large part of the class in many other ways. Although she never has a great deal to say, she always does her work very well which proves she takes a great deal of interest in her class.

Bernice delights in talking to the fellows when there is nobody else around but when she is caught she surely does blush which may mean that she is bashful or in ———!

"Good goods come in small packages."

MARGARET ELIZABETH REINECKE

"PEG" OR "PEGGY"

"I Hain't Did It"

Entered from Lower Chanceford High School in Senior Year.

Margaret, better known as "Peg", has just been with us one year, but she is liked by all of us. She was graduated from the Lower Chanceford Township High School, and has come to Red Lion High to complete a four year course. Margaret generally knows her lessons and is never scolded for talking. She is quiet, but is always ready for fun.

"Peg" is undecided as to what she wishes to do after graduation, but we feel that she will be a success in anything she undertakes. Here's best o' luck to you, Peg, as you go out into life.

*"Affectionate, sweet, loving, kind,

"Heaven's Gosh"

Basketball Second Team '27; Hiking Club '28;
Basketball Varsity '28; Vice-president Ormar-Blite
Komerical Klub '28; Hilltop Typist '28; Art Editor
of Annual '28.

Let us have the pleasure of introducing our classmate, Mary, with her kind brown eyes, fair skin, and chestnut brown hair. She is always full of pep and has a keen sense of humor. Once a friend of Mary you find in her a true and steadfast friend. She is happy and carefree and her laugh certainly is contagious.

Of course we are proud of "Skeezix" for her athletic ability and interest in school activities. She is another commercial student and knows how to play; she is good in art too. She wants to take up art after she leaves Red Lion High. So here's good luck and success, Mary.

*"Merry Mary, quite contrary,
But we all agree, mostly merry."*

MARY ELIZABETH SECHRIST

"LIZ"

"Go Sit on a Tack"

Girls' Glee Club '26-'27-'28; Mathematics Club
'26-'27; "Bird's Christmas Carol" '28; "Come Out
of the Kitchen" '28; Treasurer of Class '26; Latin
Club '26; Reporter '27; "Yanki San" '27; Min-
strel Show '28; Associate Editor of Hilltop staff '28.

From the very beginning of her high school career, Elizabeth's school life has been one of great interest. She has been helpful in every activity the class has undertaken. Her interest has always stood out foremost in her work. She is a charming actress, brilliant, decidedly studious, cheerful and companionable. These are some of the many qualities that have made Elizabeth a favorite with her classmates.

"Toil is the sire of fame."

MORGAN BARSHINGER SNYDER

"MUGS" "FAT"

"You're Crazy"

Basketball '25-'26-'27-'28; Capt. '28; Baseball '27;
Track '25; President Freshman Class '25; Athletic
Hilltop Editor '28; Ormar Blite Komerical Klub '28.

"Mugs" is very athletic and has engaged in every athletic sport during his high school career. As the athletic editor he has written many clever and interesting articles for the "Hilltop." He has been very popular among the students, including the girls as well as the boys. According to indications and general signs Morgan seems to be a firm believer in that well known theory—"Gentlemen Prefer Blondes." "But Gentlemen Marry Brunettes!"

*"I am monarch of all I survey,

OLGA ARIETTA SNYDER

"ETTA"

"Boy! I Hope"

Secretary of Class '24-'25-'26-'27; Secretary Ormar Blite Komercial Klub; "Come Out of the Kitchen" '28.

Here we have it! Quietness, goodness, good nature, all, in fact, needed to make a good student. She never gets in trouble, always knows her lessons, does her home work, and as a student is nearly perfect. She surely pulls down those A's and B's in Shorthand. Miss Brinser considers her one of the best pupils in the class.

We do not know what Olga intends to do, but we will probably hear sometime in the future of her success as a secretary.

*"True happiness, if understood,

DOROTHY BERTHA STAUFFER

"DOT"

"Hot Dampener" "Out of my way, gum shoe"

Varsity Basketball '26-'27-'28; Orchestra '25-'26-'27-'28; Glee Club '26-'27; La Societe Francaise '28; Art Editor Annual '28; "Yanki San" '27.

"Dot" is a lass with mischievous eyes and smiles. When ever in sorrow or need of a friend call on "Dot" for she is so full of humor that one's sorrow would vanish in a short time. The equal of her humor is hard to find in the class of '28.

"Bertha" is known to the basketball fans as the famous "peep" shooter of Red Lion High. Although "Dot" is heavy she could easily run circles around the opposing guard.

Next year we will see "Dot" in low heeled shoes, dresses four inches from the floor, and a little cap perched on top of her head—a nurse.

*"Tis the fiddle ye play and the smile ye wear
That's a 'making the sunshine everywhere."*

ALMA COREDA TARBET

"RED"

"Say, Kids"

Zaner Pen and Ink Club '27; President Ormar Blite Komercial Klub '28; Hilltop Typist '28.

May we have the pleasure of introducing our classmate, Alma, who is continually talking. So they say, but it doesn't matter providing she wears a smile every day. She was almost overcome from having to sit quietly so long while she posed to have her "likeness" made for this great annual.

"Red" wishes to become a typist, and we are sure she will be successful, because she is very brilliant in this particular subject and she usually accomplishes what she undertakes.

"Self-trust is the first secret of success."

"MINTA"

"Well, I'll be Darned"

Here comes the basketball team. Now the game has started and none other than Minta stops a beautiful shot which surely would have been a two pointer. Then the people ask, "Who is Minta?" Minta is our famous guard on the varsity. This is her first and last year on the varsity. As she is one of the Seniors she will graduate this year which terminates her stay on the basketball squad.

*"Minta is the girl

"Ye Gods"

Poets Club '26; Mathematics Club '27; Journalist Club '27; Inter-class Track Team '27; Hiking Club '28; La Societe Francaise '28; Alumni Editor '28; Hilltop '27-'28.

Here is "Ellie," one of the industrious girls of the class of '28. She is always among the first to have her written work done. As a poet "Ellie" ranks among the highest in the class. She also knows her "French."

"Ellie" is one of the many big talkers in our class. Whenever there is a noise she is always on hand. She has a weakness for red hair—we wonder why?

*"She talks and talks, but that is human
She likes the men, but she is a woman."*

JACOB KERMIT TAYLOR

"KERM"

"Oh Gosh"

High School Orchestra '27-'28; 'Seventeen' '27; 'Bab' '27; President La Societe Francaise '28; High School Quartet '28; 'Come Out of the Kitchen' '28; Class Basketball '27-'28; Baseball '28.

This immaculate and determined looking young man is the possessor of a number of talents. Besides "carrying around" some dramatic ability, he is able to "blow" a trombone, and, for the size of him, has a very good voice. When he sings, he sings in a vibrant baritone way.

"Kerm" is a good sport when out among the fellows and is always ready to do his part in the many school affairs.

Eek-eek! Out of the way! Here comes "Het", one of the giggling, but industrious girls of the class of '28. When humor is around Hester isn't missing, and when it comes to pulling down A's and B's she isn't missing either. As for playing the piano in Assembly and Orchestra—she surely can "tickle the ivories." Her capability as Editor-in-Chief enabled us to have the fine annual we have.

Why can't they all be contented like me?"*

Track '25-'26-'27; Basketball '27-'28; Zaner Pen and Ink Club '27; Ormar Blite Komercial Club '28; "Come Out of the Kitchen" '28; Vice-president of Senior Class '28.

He is known to his classmates as a lad with light hair and blue eyes. When it comes to typewriting he certainly can tickle the keys. He has big business ideas and sixteen years from now we will know him as a millionaire. His greatest hobby is taking apart his watch and counting the pieces.

We also admire "Fritz" for his athletic ability. He played substitute center on the varsity and fought his hardest when put to the task.

"The world's a stage on which all parts are played."

Frederick, better known to all of us as "Stud" is one of our happy boys. He is always in good humor and seldom worries about anything.

Frederick has proved his willingness to try, as shown by his interest in different activities. The next thing that he is willing to try is to become a commercial teacher.

Leslie is another one of those handsome boys in our class. He is always slow, does not believe in being rushed, neither does he believe in being overworked. But still Leslie can be fast and he can work as is proved by his good work on the basketball team. Leslie is forever carrying a library book with him. This shows that he is extremely studious.

We do not know what Leslie is going to be but the dream of his heart is forestry.

The young maiden is not heard very much around the halls, but get her out to a game and you'll see how quiet she is. Dorothy is interested in music, especially on pipe-organ music. She expects to go to college where she will continue her study. English is another one of her specialities.

He is always cheerful and greets everyone with a pleasant smile. The students of the Red Lion Junior-Senior High School and the Class of '28 wish to thank "Joe" for his help in school by aiding us to make each year successful.

To the Memory of Clifford Stein

*Clifford, you hardly know how
Lonesome is your vacant chair,
You surely cannot fathom how
We miss you every where,
Your Mother treasures every play thing,
Your rector set, your marbles, bat, and ball,
And fancies at eventide she hears
Your gentle call.
Your dad has not forgotten your
Ambitions and your fears,
How you longed to be a cartoonist,
An athlete as you grew in years,
Sis remembers how you'd tease her
And then chuckle forth in glee,
How you tantalized poor kitty
And wrestled "Kansas" and made him walk'a tree.
O, Yes, we feel so lonesome
Since you left the vacant chair,
But our hope is safely anchored
That we'll meet you over there.*

Senior Class Poem

*Red Lion has seen, sometime since past,
The Seniors of today,
Enter the school as the Freshman class
To study and work and play.*

*Four years have flown and left their mark,
On that group of girls and boys,
Life isn't any more, just a lark,
And made of only joys.*

*The tasks we've done up on the hill
Are not without their gains,
We've learned to swallow many-a pill
On the days when it only rains.*

*But now that our school days have gone,
We're sorry they're over so fast,
We hate to start to hurry along,
And only remember the past.*

*Farewell to the classmates of 'Twenty-eight,
Farewell to the school we adore,
Farewell to the buildings and halls so sedate,
We'll never come back any more.*

*Farewell to our teachers; thanks for all you have done,
In helping us on our way;
Farewell to these years, we have loved every one,
What more, oh, what more can we say?*

ELEANOR HALL '28

Senior Class History

IN THE AUTUMN OF 1924 there was a grand rush at the door of the school house. Nearly one hundred Freshmen tried to enter the building at once. We were all frightened at first, but after we had organized we began to enjoy ourselves. The teachers all said we were the worst class that ever entered high school, but we proved to them that we were not all foolish, because we received fairly good grades. Kermit Minnich was our first President. As he did not remain in school very long, Morgan Snyder became our president. He served one semester and then Frederick Uffleman received the office. We were not allowed to do anything toward making money, but we decided to have a party. We had everything planned, but a severe storm came up, and our first party was spoiled. This did not discourage us and we finished our first year in high school successfully.

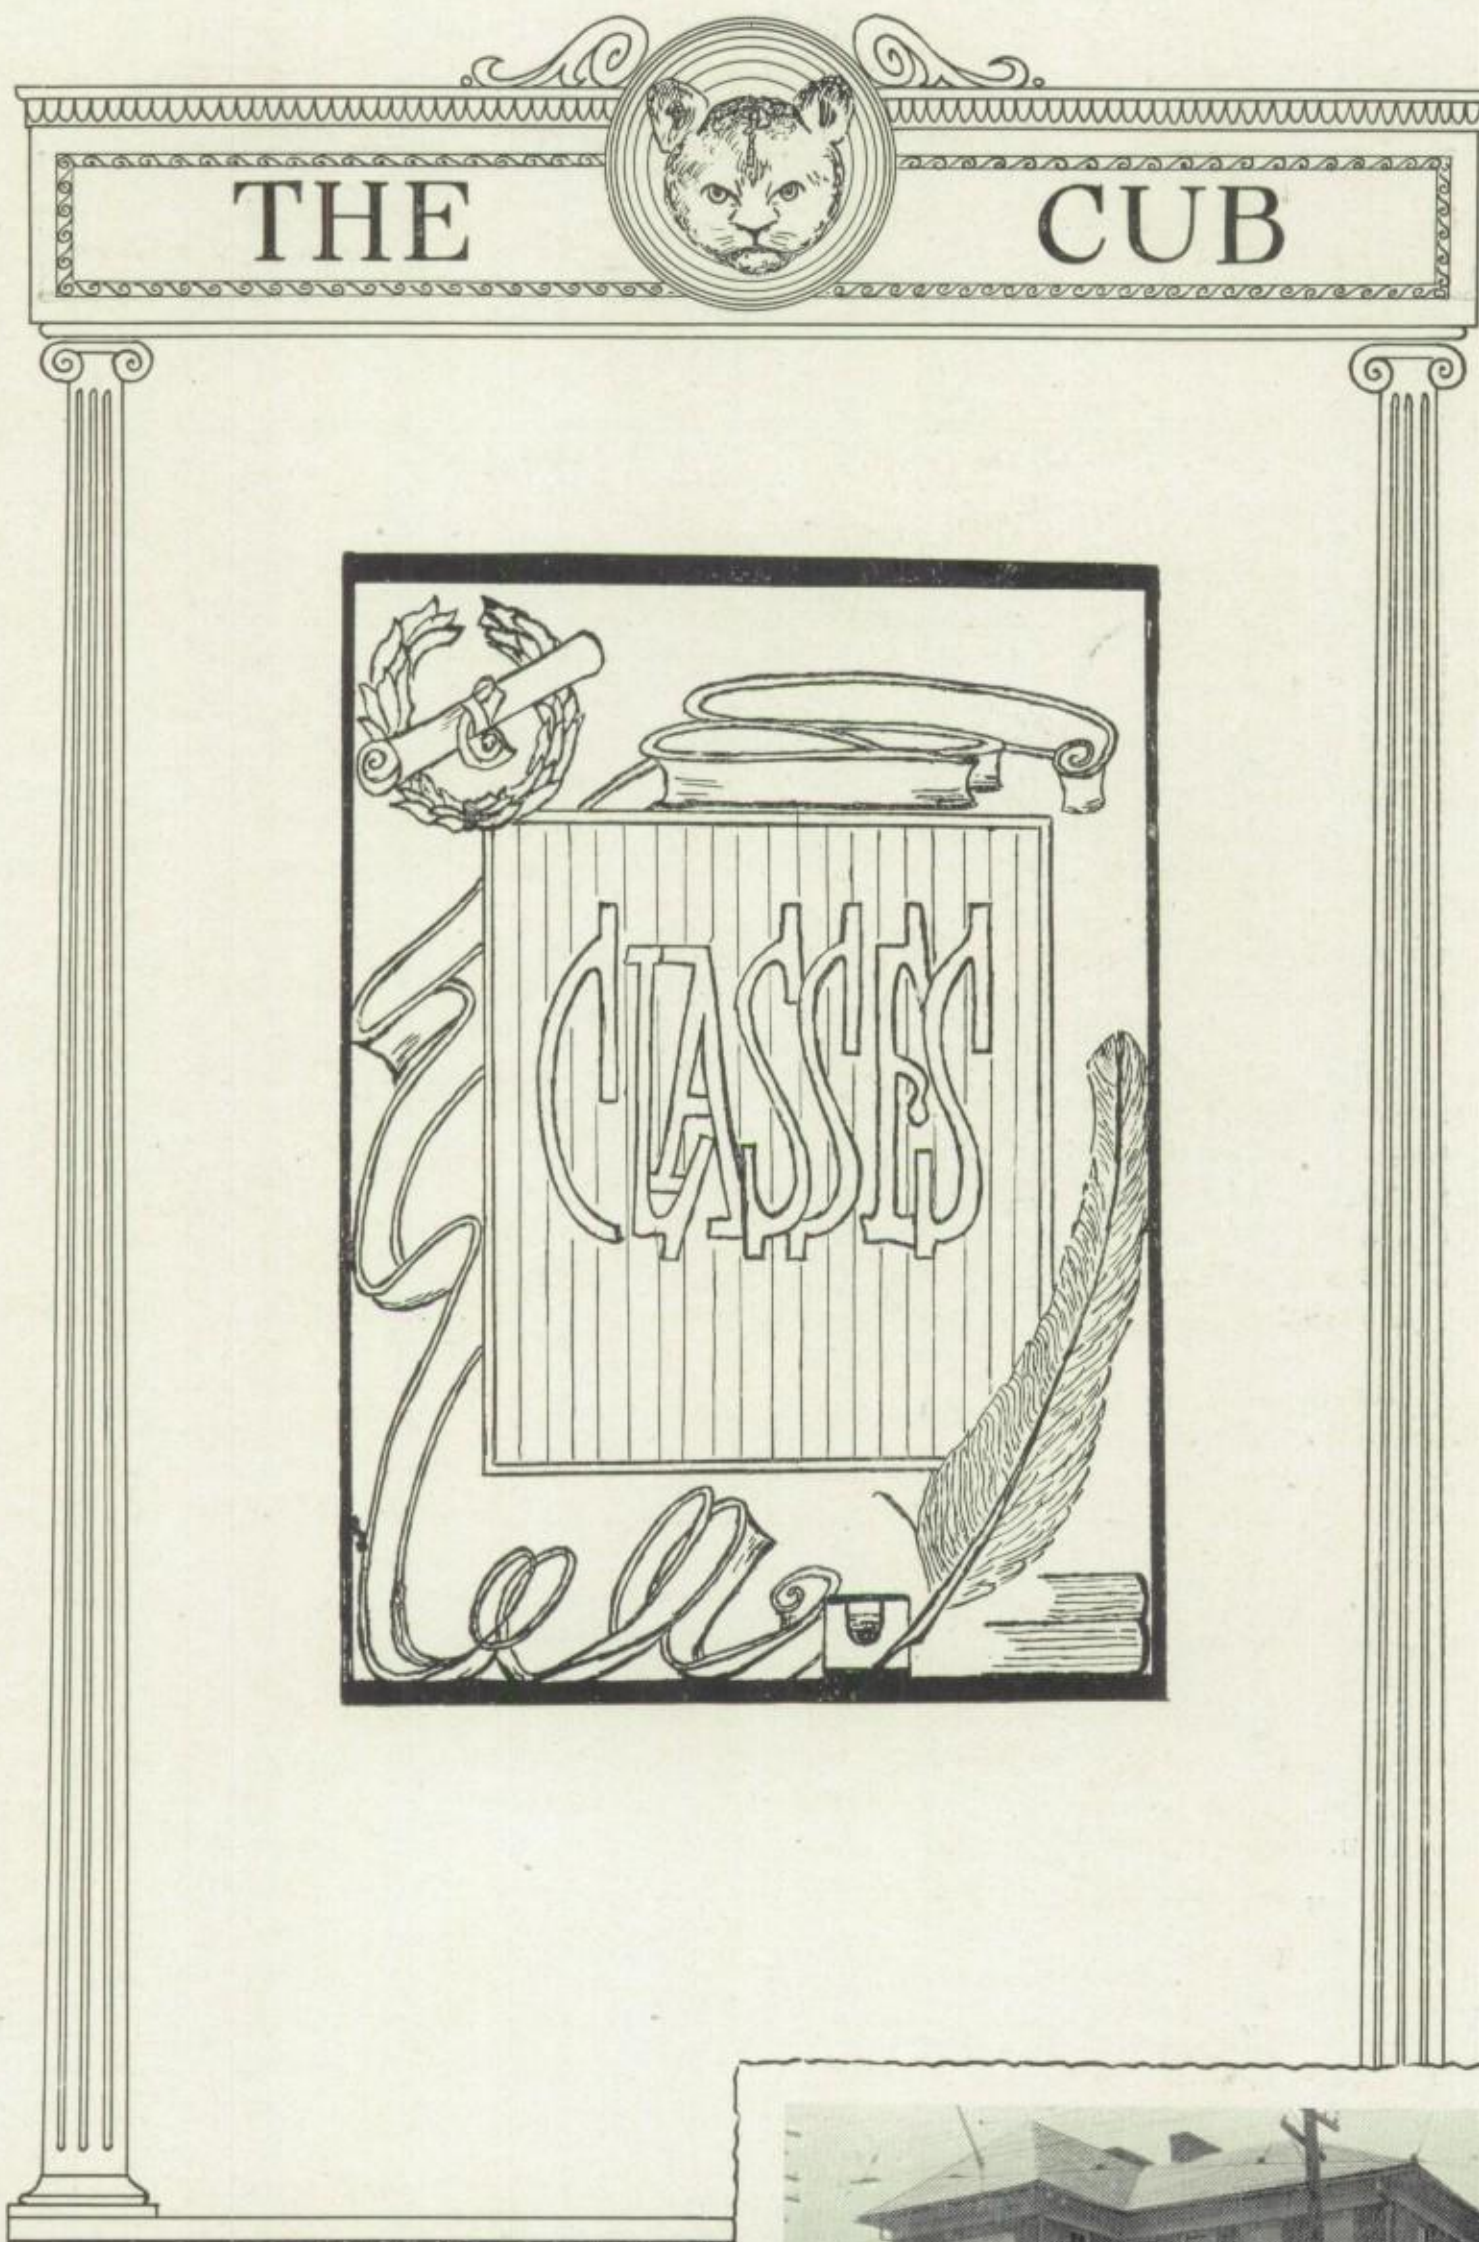

About sixty-six of our original number joined us again in our Sophomore year. Some of the former members had dropped out of school and others remained in the Freshman class. D. Frank Kaltreider was chosen as president. In November we held a bazaar in the High School building, and made quite a large sum of money. We worked hard for it, and we were very glad to put some money into our treasury. At the beginning of the second semester we elected Leslie Urey as our president. In April we sponsored a picture show entitled, "As No Man Hath Loved." On the whole our Sophomore year was successful.

About forty-six Juniors under the leadership of Charles Zarfes came back to make our Junior year the best ever. We all were industrious, and we had the highest scholastic average in the high school. We held several cake sales and quit a few Juniors could be seen at the curb market on the square selling cakes, candies, and pies for our class. In February we sponsored another movie, "Laddie", which everybody enjoyed. At the beginning of the second semester we chose Thomas Frutiger as president. In May we presented our first play "Bab" in the Lion Theatre.

The last year of our high school life opened with pep. During the summer we had supported a stand at the Red Lion Gala Week Fair. Again the Senior Girls kept up their reputation as star basketball players. Nearly all of the team was composed of Seniors. The Boys' Varsity also had a number of Seniors in it. "Mugs" Snyder and "Wop" Waughtel helped to bring the cup to Red Lion. Charles Zarfes was elected president. In November we sponsored an Operatic Concert under the auspices of the York Civic Opera Company. After vacation we studied hard and came through semester exams successfully. On March 13th and 14th we presented our Senior Play, "Come Out of the Kitchen" in the new High School Auditorium. It was a great success and everybody who saw it enjoyed himself. On Saturday, May 12th, a Tri-County Music Meet was held at Millersville State Teachers' College and Margaret Neff, a member of our class, won first prize for her soprano solo.

Although our number has decreased from nearly a hundred to forty-three members we have striven to do our best and we will ever remember the days we spent together in our dear old Alma Mater.

Junior Class History

THE JUNIOR CLASS consists of 47 members of which 34 are academic students, and 13 commercial students. The following officers were elected for the year: President, Levere Smith; Vice-president, Horace Uffleman; Secretary, Mary Musser; Treasurer, Marion Chandlee.

The following are the events of the Junior year which we wish to remember:

The class chose maroon and grey for its colors.

A Hallowe'en party was held on the evening of November 4.

The Junior boys suffered no defeats in the Inter-class games. The victory of the "champs" aroused the class spirit. Six of the Junior boys, (Charles Olp, James Thompson, James Kaltreider, Horace Uffleman, Charles Smith, and Howard Smith) and one Junior girl (Cleon Stauffer) played on the high school basketball teams.

The play "Applesauce", under the direction of Miss Smithgall, was given by the class on April 17 and 18. Those who took part in the play were: Lorene Wagman, Roma Keesey, Rebecca Wallick, James McGuigan, James Kaltreider, Emerson Gemmill, Woodrow Dellinger.

Senior High Orchestra

ILLENCE REIGNED. Suddenly the sound of familiar and well chorded strains was heard to echo and re-echo throughout the building. Oh Yes! It was the weekly rehearsal of the Red Lion High School senior orchestra under the able leadership of Prof. Charles N. Gates. The orchestra this year, as in former years, has received compliments from all parts of the surrounding neighborhood and has gained a wide and envied reputation among the high schools of the county. It has played for all the high school functions of this school year and on the 26th of January had the honor of playing for the meeting of the York County School Directors, which was held in the Courthouse in York.

Although we realize that a few of the positions will be vacated by the graduating seniors, we know that these will be ably fitted by members from the Junior High orchestra.

The names of those who play in the orchestra and the instruments which they play are as follows:

Violins—Dorothy Stauffer, Oliver Kinard, James Kaltreider, Fordyce Thompson, Allen Frey and Ernest Mayes. Clarinets—Horace Smith, John Haubert, Wilton Thompson and Otto Detwiler. Saxophone—D. Frank Kaltreider, Charles Smith, Thomas Frutiger, Lloyd Hoffman, Foster Laucks and Cleon Stauffer. Cornets—Raymond Hershner and Kenneth Waughtel. Melophone—Wilton Hutton. Trombone—Kermit Taylor. Drums—Harold Deitz. Piano—Hester Thompson.

The Girls' Glee Club was again organized under the able leadership of Miss Jayne Bayley who for several years has been the head of the music department in the Red Lion schools. The Glee Club has a membership of 38 persons. Because of the improved conditions of the school the Glee Club has had more advantages and consequently was able to participate in more extra curricular activities.

On the whole the Glee Club has been very successful throughout the year and the practice has been good experience for the members. The Glee Club wishes to express their sincere appreciation to Miss Bayley for her fine work and remarkable patience.

The members of the club are:

Elsie Barbour, Geraldine Brennenman, Louise Dietrich, Wilma Dunnick, Evelyn Gipe, Grace Greiman, Luella Grove, Velma Haugh, Vivian Heiland, Lillian Grieman, Estella Hoffman, Janet Inkrote, Margaret Keeseey, Grace Keller, Flo Kinard, Charlotte Kohler, Geraldine Meads, Pauline Murphy, Josephine Neff, Margaret Neff, Edna Pickel, Alyce Raub, Elizabeth Reichard, Elizabeth Roseman, Mary Rupp, Elizabeth Sechrist, Violet Smeltzer, Vivian Smith, Dorothy Snyder, Kathryn Snyder, Marian Snyder, Rozena Strayer, Hester Thompson, Dorothy Warner, Romaine Waughtel, Flo Workinger, Iva Workinger and Ferne Kaltreider.

The officers of the Glee Club are: President, Hester Thompson; Secretary, Margaret Neff; and Librarian, Estella Hoffman.

La Societe Francaise

This club, an entirely new organization in the Red Lion High School is composed of the members of the advanced French class under the direction of Miss Foutz. The following people are members each having a French name:

Jean, John Atkins; Yvonne, Viola Barnhart; Elisabeth, Elizabeth Flinchbaugh; Thomas, Thomas Frutiger; George, Wilson Gladfelter; Grace, Grace Greiman; Guillame, Charles Grimm; Andre, Lloyd Hoffman; Raoul, Ralph Koons; Nicette, Carrie Miller; Marguerite, Margaret Neff; Berenice, Bernice Poet; Dorothee, Dorothy Stauffer; Ella, Ella Taylor; Pierre, Kermit Taylor; Helene, Minta Taylor; Cecile, Flo Winter; Berthe, Flo Workinger; Charlemagne, Charles Zarfes.

A constitution was drawn up by an appointed group and accepted; also officers were chosen. They were: President—M. Pierre—Kermit Taylor; Vice-president—M. Andre—Lloyd Hoffman; Secretary—Mlle. Elisabeth—Elizabeth Flinchbaugh; Treasurer—Mlle. Nicette—Carrie Miller.

These officers formed a committee whose duty was to make up programs which were to be presented at each meeting of the club. All of the programs given were very successful.

During the meetings all conversation had to be spoken in French, and at no time was anyone allowed to speak in English—all of which was very amusing and at the same time very interesting.

On April 4th and 5th the club gave a program in chapel which was greatly enjoyed by the audience—even though it was given entirely in French.

Ormar-Blite Komercial Klub

The "Ormar-Blite Komercial Klub" was organized the last semester but owing to the illness of Miss Esbensshade only a few meetings were held.

The members of the Club consist of the Senior Office Practice class and the Junior Shorthand class. The honorary members are Mr. Schlegel, Mr. Becker, and Miss Brinser. The Club supervisor is Miss Esbensshade.

The name "Ormar-Blite" was derived from the two class colors; the Seniors, Orange and Blue, and the Juniors, Maroon and White.

The officers of the Club are: President—Alma Tarbet; Vice-president—Mary Rider; Secretary—Olga Snyder; Hilltop Reporter—Viola Snyder.

Members of the Club: Marion Chandlee, Kenneth Grove, Eleanor Hall, John Haubert, William Heffner, Arthur Heibeck, Amos Hively, Maurice Laurer, Glenn Logan, Delmar Murphy, Charles Olp, Mary Rider, Quenten Seitz, Levere Smith, Morgan Snyder, Olga Snyder, Alma Tarbet, Frederick Toomey, Fred Uffleman, Horace Uffleman, Rebecca Wallick.

Sewing Classes

In order to be recognized as Junior High School it was necessary that the seventh, eighth and ninth grades have classes in Domestic Art and Manual Training. As there was no available time during the regular school hours, these classes were held at four o'clock, once a week.

The sewing classes were taught by Miss Wilson, Miss Kreidler, Miss Tawney and Miss Foutz. The familiar orange and black sewing bags are the work of the girls which also included the making of flowers, costumes and various garments. To the sewing class belongs the credit of mending the flag and of costuming the Latin play.

While the work has been somewhat handicapped because of the hour, a great deal of good has been accomplished. Next year we will be fortunate in having an instructor who will devote all her time to the teaching of Domestic Art.

The following is a list of students who were in the sewing classes:

Beulah Gipe, Emma Grimm, Gertrude Haugh, Greta Heiland, Lorie Hoffman, Vesta Kyle, Violet Martin, Jessie Reachard, Cleo Smith, Ruth Snell, Iris Strausbaugh, Mildred Taylor, Charlotte Tyson, Gladys Welty, Florence Burkey, Carrie Adair, Velma Beck, Margaret Flinchbaugh, Virginia Grimm, Martha Gohn, Elva Heindel, Louise Heyne, Ethel Householder, Pauline Husson, Ethel Hutton, Erma Hyson, Vera LaMotte, Edna Ness, Miriam Smith, Martha Snyder, Charlotte Stabley, Alice Stein, Myrtle Stein, Martha Stauffer, Lucille Althouse, Rachel Bair, Pauline Barshinger, Anna Brown, Olive Byerly, Doris Feree, Flo Keeports, Edna Keener, Grace Olewiler, Daisy Roseberry, Eleanor Stein, Jessie Warner, Charlotte Ensminger, Betty Zarfes, Irene Burkey, Charlotte Folckomer, Almeda Marsteller, Louella Grove, Audrey Flinchbaugh, Mary Brenneman, Emily Campbell, E. THE CUB

Girls' Basketball

THE GIRLS' BASKETBALL TEAM played through one of the most brilliant seasons of its career. In the first game of the season they lost to Wrightsville, but this game was the only one, they were forced to lose. Through the captainship and leadership of "Liz" Flinchbaugh they were able to continue their winning streak through eleven straight games. Without a doubt this year's team has been as perfectly balanced as any team that Red Lion High has been able to produce. Considerable credit should be given "Dot" Stauffer and "Liz" Flinchbaugh for their excellent playing of the forward positions.

At this time we should give Miss Sara D. Graeff all the credit that she so richly deserves. It is through her planning and coaching that Red Lion High has been able to boast of such a championship girls' team as has been produced this year. Miss Graeff has an excellent understanding of basketball and one need only to look at the team she has produced to confirm the above statement.

This year's team has tried very hard to uphold the respect and tradition that has gone before it, and they have done just that in an admirable manner. The girls' basketball team of this year deserves the respect and honor of every student in Red Lion High. It is this team that has helped to put Red Lion High on the map athletically and what is much more it has kept it there.

This team is now of the past; it has done its work and done it very well. Next year, another team will be whipped into shape to uphold the traditions of this team, and as each succeeding year breaks forth let us try to make it better than the preceding one.

THE CUB

Boys' Basketball

ASKETBALL HAS ALWAYS been the banner sport in Red Lion High, and the past season has shown the reason why basketball has always been popular sport in Red Lion High. Athletics have made our high school life more enjoyable, more entertaining and what is more, have created the school spirit which is needed in every school. Did it not make your blood tingle and your spirit react when you saw your team coming down the floor and then with a miraculous shot put your team ahead and on the road to victory? Red Lion High is noted far and wide for the fame of her basketball teams. The York County Scholastic Basketball League which was organized five years ago has given the trophy to Red Lion four years out of the five years of its existence.

This year's team was the result of several years coaching and it proved that all was not in vain. The team with the encouragement and direction of our much respected coach immediately stepped into first place as the season progressed and never lost hold as the leader.

On the team we have Morgan Snyder, forward, who has played varsity basketball for three years. He was elected captain of the team and he also took honors as the high scorer of the league. He graduates this year. James Thompson, the other forward, very ably helped the team on its march to victory. "Yotz" Olp, our stalward center, led the team in its defense and also in scoring. Preston Waughtel, the guard who sent many of the teams home with a low score, is probably the best example of the splendid talented players Red Lion has ever had. He gradates this year. Foster Laucks and Oliver Kinard held down the other guard position. Both have at least two years of basketball and should be a great asset to the coming teams of Red Lion High. "Fritz" Toomey and "Les" Urey, both seniors, were a great aid to the team as "subs" and both did very good work. We also wish to thank Mr. Johnston for the work which he has done to make Red Lion High's team a champion.

THE CUB

Baseball

THE BASEBALL SEASON OF 1928 was a very successful season for our boys. As a member of the York County Scholastic League, Red Lion was more than able to hold its own against its opponents, winning all the games except two. One of the games ended in a tie with Stewartstown; and the other, a close one, was taken by New Freedom. The pennant this year will be placed in the halls of Red Lion High, to represent the first Baseball Pennant taken by the school. Mr Johnston, certainly is to be congratulated on the manner in which he coached the team, making the right changes at the right time, and always keeping the team on its toes.

The material from which he selected a winning combination was exceptionally good. Only a few were seniors; which fact should indicate a fast and difficult team to defeat next year.

The team early in the spring was handicapped greatly by weather conditions and had to guard against sore arms and stiff joints. Nevertheless, the boys kept plugging away and, as a result effected a good combination.

"Yotz" Olp will long be remembered by his fellow team mates for his wonderful pitching and for his hitting in the pinches—particularly, for his hitting in the pinches. To "Yotz", it seemed a crime to hit anything less than a three-bagger when two or three men were on the bases.

The members of the club are as follows: Levere Smith, manager; Fred Uffleman, scorer; Preston Raub, Charles Olp, Preston Waughtel, Kenneth Waughtel, James Thompson, Oliver Kinard, Kermit Taylor, Foster Laucks, Allen Frey, Horace Uffleman, Wilson Gladfelter and Arthur Kinard.

Hiking Club

*We've twenty more miles to go,
We've twenty more miles to go,
We hike awhile and we rest awhile,
We've nineteen more miles to go.*

O SANG A GROUP of jolly girls headed for the river one bright Saturday morning in late fall. This hike was so successful that since then we have taken about twenty more hikes. All the hamlets within a radius of ten miles have been explored by this ambitious group of girls and among our longer hikes were several to the River and Devil's Hole, our favorite haunts. No program for entertainment was ever planned for these hikes but we never lack fun. With the songs and antics by some of the talented members of the club to say nothing of the most important feature—eating—time passes rapidly.

Around the camp fire at Indian Springs thirty girls joined in feasting on the "caloriferous canine" and toasted marshmallows; and again at Devil's Hole, twenty-five ate breakfast which had been cooked over a smoky fire after four miles of hiking and a log rolling contest.

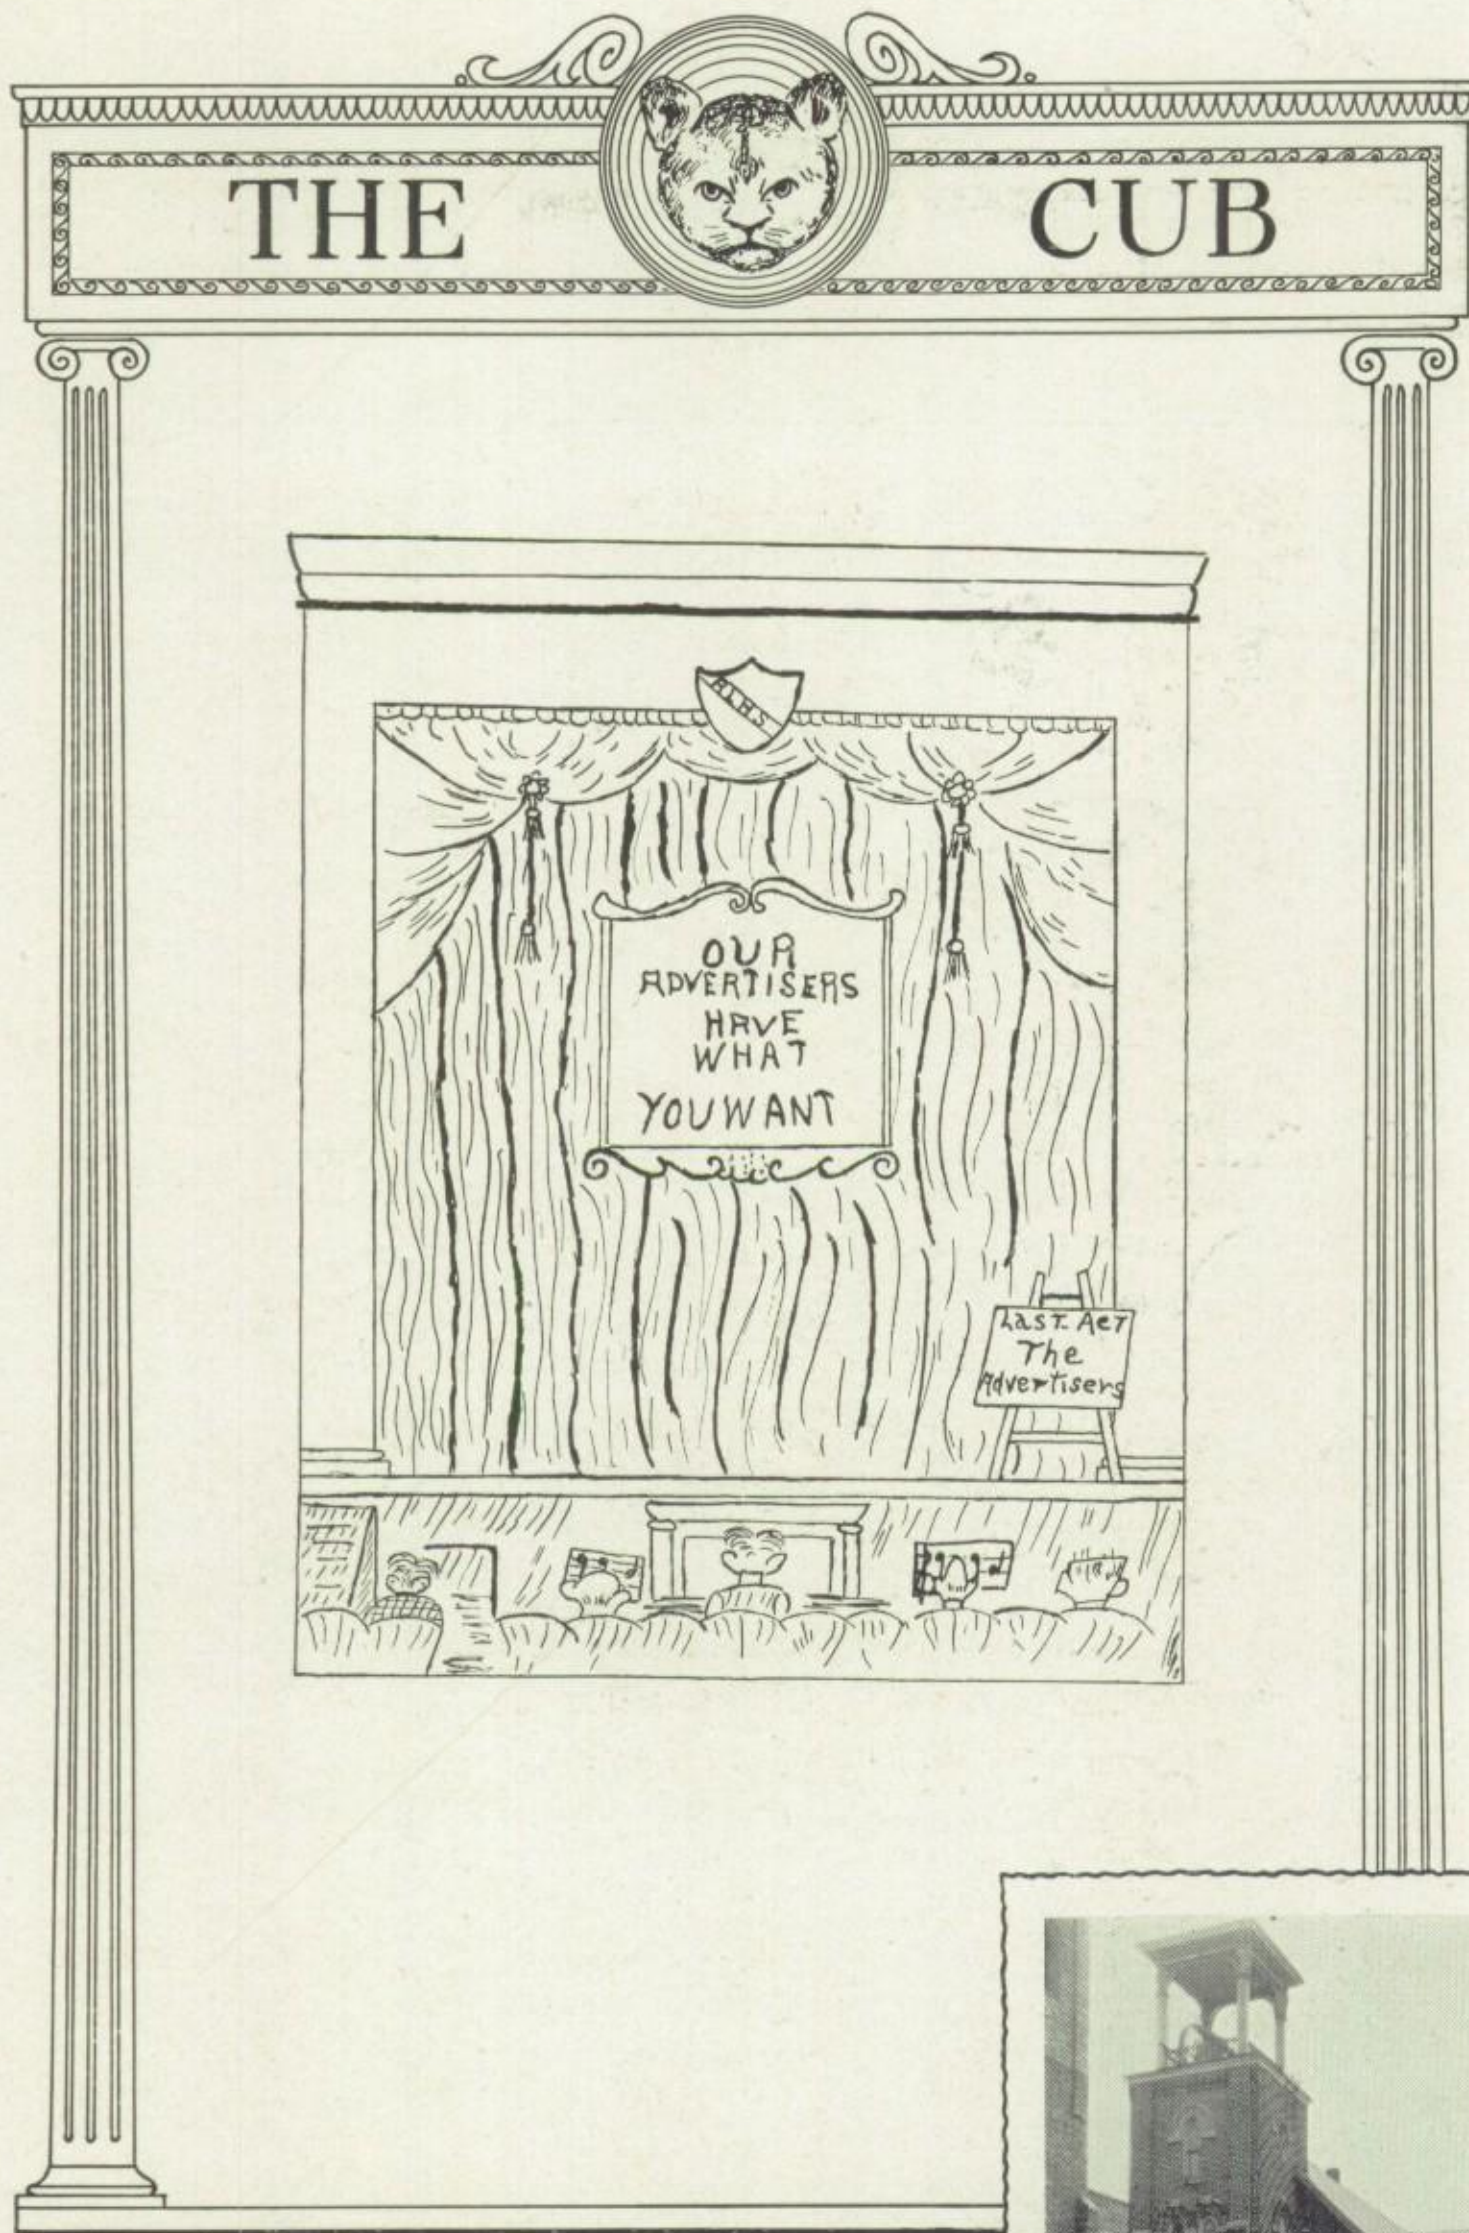

Not only the inhabitants of the towns which we visited were interested in us but even the dumb animals, especially dogs, were aroused to curiosity. Rags, a small black dog that followed us on one of our trips, sampled so much of our lunch that he had to be carried home. The only time he tried to walk he made our hearts nearly stand still by almost colliding with a machine.

Some of our teachers proved themselves excellent hikers. Miss Hall, Miss Peterson, Miss Brinser, Miss Foutz, and Miss Graeff each have several hikes to their credit.

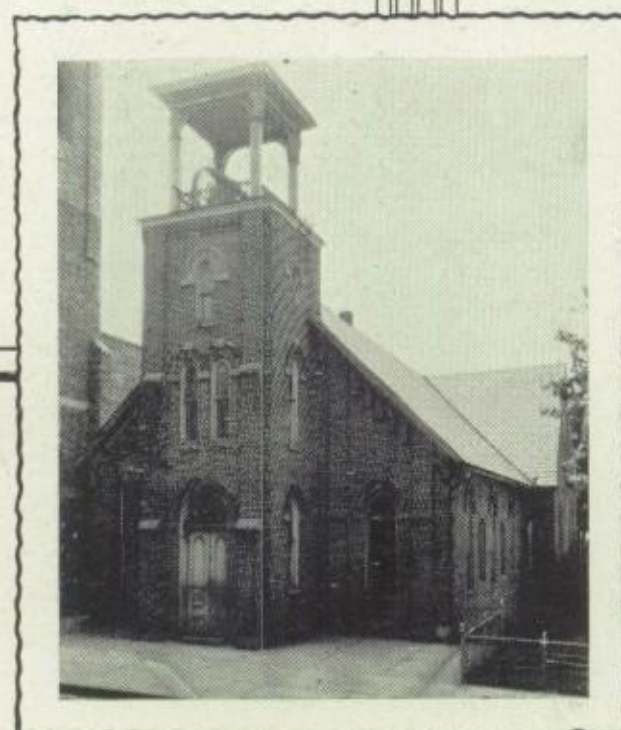

We feel that the memories of enjoyable incidents on these hikes will linger for many years. It is to be hoped that next year the club will carry on its activities on even a larger scale.

Members of the Hiking Club:

Wilma Dunnick, Audrey Flinchbaugh, Elizabeth Flinchbaugh, Mgr.; Charlotte Folckomer, Evelyn Gipe, Luella Grove, Janet Inkrote, Roma Keesey, Grace Keller, Flo Kinard, Charlotte Knisely, Grace Lutz, Helen Lentz, Grace Lentz, Almeda Marsteller, Rae McCleary, Geraldine Meads, Josephine Neff, Helen Ness, Nora Olp, Alyce Raub, Mary Rider, Dorothy Ritz, Madeline Roseman, Elizabeth Reachard, Elizabeth Roseman, Thelma Smith, Vivian Smith, Dorothy Snyder, Kathryn Snyder, Marian Snyder, Ruth Sprengle, Valeria Stein, Dorcas Stitely, Ella Taylor, Minta Taylor, Myrtle Waughtel, Romaine Waughtel, Pauline Wilson, Helen Wolfe, Flo Workinger, Iva Workinger, Erma Keeports, Mary Brenneman, Anna Love, Dorothy Wagman, Charlotte Kohler, Charlotte Hildebrand, Valeska Meads.

Acknowledgment

The management of the 1928 Cub acknowledge with many thanks the helpful and consistent co-operation of all who have in any way helped us, and especially the business firms whose advertisements appear in this volume. The interest of these merchants was prompted by their friendship for the Red Lion High School, and it is our sincere desire that the Red Lion High School will in turn be of benefit to them.

A few weeks ago the advanced French class was given an "exam". In the test some French sentences were stated and the students were supposed to answer them by the true and false method. The following are a few of the "wild" answers received from some of the pupils.

1. The pear is a delicious vegetable. This statement is true—"Cupid" Atkins.
2. The sun rises in the west. True—"Dot" Stauffer.
3. The duty of your parents is to obey you and yours is to guide them. True—Viola Barnhart.
4. Afternoon is the part of the day between sunset and midnight. True—"Bill" Grim.
5. The republic is proud of its king. True—"Fats" Koons.
6. When someone raps at the door, it is necessary to lock the door without asking who is there. True—"Liz" Flicnhbaugh.
7. One washes the linen because it is proper. Note: This is the meaning that Charles Grim took from the French word "propre" which means clean.

A Summer Job and a Plan to Start a Bank Account

Every industrious boy wants to turn his hand to something useful after school is out for the summer.

There's a profitable job for every boy who is really willing to work and who will put on his thinking cap.

Planning your work, and then working your plan—that's all there is to success in any line you take up.

Summertime work gives to boys—and girls too—a particularly good chance to save and bank some money.

They'll want it for college, or business or homes later on, so the earlier the start is made, the better.

"When the urge is for something better, we will welcome the opportunity to submit ideas."

INSPIRATION

BEETHOVEN sought his inspiration in the woods; Whistler in the mystic darkness of night; Whitman absorbed from the poor the ideas that made him great.

To such men—the musician, the painter, the poet—do we look for inspiration to guide us toward success.

The poet may go to the stars for aid, or the sales manager to his printer, the thing which they seek is the same—ideas which will induce the world to look favorably upon their products.

As the success of a poem often depends on its power to inspire the people who read it, just as does the success of some commercial products depend upon their power to inspire those who can be expected to buy them.
